

(The ever enthusiastic) Claire W (UEA student and Riding Club Secretary 2011/12)

Discovering Hazel and Nine Acres has undoubtedly been one of the highlights of the nineteen years that I have been riding for. Hazel has opened my eyes in a way that I wish they had been opened years ago and, having been on the committee for the University of East Anglia Equestrian Club, I can safely say that I am one of many riders of all abilities who will agree. I am no longer based in Norfolk, but I will continue to go back ... I don't think I would find a better, more committed or more passionate instructor anywhere - or one who makes me laugh as much as Hazel does!
